Farmington Recreation Department is proud to offer a supervised after school opportunity for children at no cost to parents. Due to the popularity of our after school hours, we feel it is necessary to establish expectations of behavior to ensure safety and a positive environment for all children. We appreciate you taking the time to read and sign this outline. If you have any questions, the Recreation Dept. can be reached at 778-3464.

Parents that are consistently late in picking up their children – (after 5:15) will be asked to discontinue their use of our after school hours here at the Community Center. While we will never leave a child unattended our staff members do have other commitments and we expect all parents to respect this fact.
